# WEDDING *gifts*

Trust there'll be a story and experience while opening the gift. The perfect bow, the gift box, and of course the item itself might tell a story behind. It delivers a feeling of appreciation and love. We whole-heartedly believe in the importance and goodness of the gifting process. And so the journey begins back then in 2010. Fell in love not only providing gifts, but enjoy the whole process, where clients started the ideas of the gifts until we make it happens into thing, We called it from zero to something very special.

## Kahiyang Ayu Pilih Suvenir Pernikahan Harga Terjangkau

Jakarta - Pernikahan putri Presiden Jokowi, Kahiyang Ayu dengan Bobby Nasution masih menarik perhatian publik. Tak hanya mengenai makeup, busana, atau pesta, suvenir pernikahan juga sempat jadi perbincangan netizen. Diketahui jika Kahiyang dan Bobby memberi bingkisan sebuah pouch kepada para tamu undangan yang menghadiri resepsi mereka.

Pouch kulit berbagai warna yang menjadi suvenir di pernikahan Kahiyang-Bobby dibuat oleh vendor Ellinonline Gift. Pouch berukuran sedang tersebut hadir dengan beberapa pilihan warna. Suvenir itu juga dibungkus dengan las kanvas dengan gambar gunung yang dirancang oleh kakak Kahiyang, Gibran Rakabuming.

"Suvenir Mba Kahiyang dan Mas Bobby berupa pouch kulit multifungsi ukurannya cukup besar bisa untuk taruh handphone, kosmetik, bahkan dompet. Ada handle kulitnya juga jadi bisa ditenteng. Lalu bungkus luarnya berupa las serut kanvas, dicetak nama (pengantin) serta gambar gunung dari Mas Gibran. Tas kanvasnya pun bisa digunakan tamu untuk taruh barang lagi," kata Lydia ketika diwawancara Wolipop, Kamis, (9/11/2017).

"Harga yang kami tawarkan sangat terjangkau mengingat kami produksi sendiri. Mba Ayang berpikir harga pouch akan mahal. Mba Ayang tidak menyangka karena harga yang kami tawarkan sangat terjangkau. Faktor itu juga mungkin yang membuat mba Ayang akhirnya langsung dealing dengan kami sehari setelah bertemu," tambahnya.

Lidya mengungkap jika proses pembuatan 4.000 suvenir untuk pernikahan Kahiyang-Bobby butuh waktu sekitar dua bulan. Kahiyang pun dikatakan tidak terlalu meminta yang macam-macam. Wanita 28 tahun itu hanya meminta ada tas pembungkus bergambar gunung yang sebelumnya di desain oleh Gibran.

Gambar gunung di kain kanvas itu sendiri hadir melambangkan harmonisasi antar Manusia dan Tuhan. Ternyata bungkus pouch tersebut sempat menjadi tantangan Ellinonline Gift yang sebelumnya pernah menangani suvenir pernikahan Dion Wiyoko hingga Raya Kohandi.

"Hanya Mba Ayang meminta enam campuran warna, tiga warna dipilih olehnya dan tiga warna dipilih Ibu Iriana. Dan gambar gunung harus tercetak pada bungkus tas luar souvenir. Proses cetak gunung itu sendiri sebenarnya cukup sulit mengingat detail gambarnya, tapi kami berusaha mewujudkan keinginan mba Ayang agar tercetak sempurna," ungkap Lidya. (ami/ami)
